Appointment to Vacant Commissioner Seat

Town Manager Barlow reviewed that at the February 25, 2025, regular meeting, the board by consensus chose to follow the town code for vacancies over the North Carolina General Statutes, resulting in a call for applications to be announced with a deadline of March 19, 2025, for an appointment to the vacant seat to occur at this meeting. The individual selected would serve the unexpired term through December 2027. Five applicants submitted resumes: Joe Brown, Ralph Kohlmann, Andy Morrow, Tamara Pieratti, and Tim Vannoy.

Mayor William Justice proposed rescinding the prior action from February 25th and holding a special election in November for the remaining two years of the vacant term.

On a motion by Commissioner Brown, seconded by Commissioner Turner, and unanimously approved, the Board rescinded its previous action to follow the Town Charter for filling board vacancies and instead voted to follow the North Carolina General Statute by holding a special election in November.

Before making an appointment, board members emphasized selecting a candidate who reflected community values and priorities, including public safety, infrastructure improvements, talent retention, responsible growth, and preserving Swansboro's small-town character, while also considering public feedback and ensuring a fair, transparent process.

Paid Parking Downtown

Police Chief Dwayne Taylor provided a detailed overview of the coastal paid parking systems in effect from Carteret to Brunswick County. These systems typically operated seasonally, with implementation periods from either March or May through October. He noted that the operational hours generally spanned from 8 AM to either 5 or 6 PM, with pricing structures that varied (including hourly, daily, weekly, and annual rates), showcasing different revenue figures from each municipality. Key management and enforcement responsibilities were frequently outsourced to third-party firms, offering a turnkey solution for these coastal towns. Chief Taylor highlighted specific parking challenges that Swansboro might face if a similar system was adopted, such as setting appropriate fees, determining exemptions for residents and business owners, defining operational timings, and developing robust enforcement protocols.

Commissioner Eckendorf shared his opinion on the importance of reviewing data from other towns to understand how paid parking has affected local businesses and tax revenue before making any decisions. He noted that this information could help determine if such a program would help or hurt Swansboro.

Other members acknowledged strong public opposition to the downtown paid parking proposal, with concerns raised about possible negative effects on businesses and the town’s small-town feel, and felt paid parking was not the way to go at this time.

Commissioner Eckendorf made a motion to pursue paid parking further by gathering more details on other towns who implemented paid parking. The motion failed for a lack of a second.

No further direction was given.

Downtown Speed Survey

Police Chief Dwayne Taylor presented the results of speed surveys conducted on Elm Street and Walnut Street in response to residents' concerns about vehicle speeds in the downtown residential district.

For Elm Street he reported:

- Survey period: January 6 to February 5
- Average daily vehicles: 22.5 (inbound), 43.3 (outbound)
- Average speed: 16.11 mph
- Maximum speed recorded: 22 mph

For Walnut Street he reported:

- Survey period: February 18 to March 14
- Average daily vehicles: 34.32 (inbound), 45 (outbound)
- Average speed: 19.68 mph
- Maximum speed recorded: 52 mph (on March 10 at 8 AM)

Chief Taylor noted that the higher outbound traffic on both streets was likely due to people heading towards Main Street and using alternate routes to return.

Warrant Service

Arrests made by Warrant Service: 41

Warrant Service arrests are made when officers encounter an individual, either through a traffic stop or call for service, and the individual has a warrant for their arrest.

50

Traffic Enforcement

NC 24 is a major east-west travel artery in North Carolina. At last count, more than 35,000 vehicles pass through Swansboro daily. The department tries to ensure that each patrol officer is Radar Operator certified within the first year.

The department, also, participates in the NC Governor's Highway Safety Program. Participation in the program allows the department free access to valuable equipment that can be used for traffic enforcement. For the calendar year 2024, the department issued 555 citations and gave 1,657 verbal/written warnings.

51

Radar Speed Sign

A radar speed sign was placed along W Corbett Avenue. A second was placed downtown. The sign alerts drivers to their speed. An onboard computer collects traffic data such as, number of vehicles, fastest speed, slowest speed, average speed and median speed. SPD looks to get a couple of more to place along W Corbett Avenue, or a portable unit that can be moved around town.

52

Community Involved

The Swansboro Police Department emphasizes community involvement by its officers. The department has started several programs to get its officers more community oriented. The Police Cadet Program, Coffee-with-a-Cop, and Shop-with-a-Cop are just a few of the well-known programs. Officers are, also, encouraged to lend a helping hand in the community. Like removing an alligator from a local daycare center.
